**Correction: Int J Equity Health 21, 186 (2022)**  
<https://doi.org/10.1186/s12939-022-01808-z>

The original article [1] has been corrected.

After publication of this article [1], the authors reported that the title was incorrectly given as ‘Preventing early childhood transmission of hepatitis B in remote aboriginal communities in Northern Australia’ but should have been ‘Preventing early childhood transmission of hepatitis B in remote Aboriginal communities in northern Australia.’

Published online: 03 April 2023
