Correction to: Inter-provincial inequality of public health services in China: the perspective of local officials' behavior

Tianxiang Chen^{1,2}, Ying Wang¹, Xiaoyi Luo³, Yuxuan Rao⁴ and Lei Hua^{1,2*}

Correction

Unfortunately, after publication of this article [1], it was noticed that a value in Table 2 is incorrect. In the column 'ADF-Fisher test' in the row 'd_transfer', the value displayed as 60.952 should instead read 125.781. Subsequent tests and results were based on the latter figure so this change does not affect the results and conclusions drawn.
