Correction: Does social capital buffer or exacerbate mental health inequality? Evidence from the China Family Panel Study (CFPS)

Dan Cao¹, Zhongliang Zhou^{1*}, Guanping Liu¹, Chi Shen¹, Yangling Ren², Dantong Zhao¹, Yaxin Zhao³, Qiwei Deng³ and Xiaohui Zhai³

Correction: Int J Equity Health 21, 75 (2022)
<https://doi.org/10.1186/s12939-022-01642-3>

After publication of this article [1], the authors reported that the legend for Fig. 3 was incorrectly given as ‘Distribution of mental health indicators’, and should have read ‘Distribution of SCs’.

Moreover, In Fig. 2(a), a superfluous symbol appeared on the right-hand side (‘The Richest’); the figure should have appeared as shown below.

The original article [1] has been updated.
